Goloo the Circle

Author: Jagdish Joshi
Illustrator: Jagdish Joshi
I am Goloo the circle.
Everyone likes me.
You can find me
everywhere, any time!

The sun looks like me.
When it's too hot,
you need an umbrella which also
looks like half of me .

At night, the moon
looks like me with a smile.
I look at it through
the owl's round eyes.

Huge watermelons, apples, oranges, tomatoes,
even the tiny lemons - all look like me... and mithai!
Juicy rasgullas, syrupy gulabjamuns, lovely laddus...
are among the many sweets that look like me.
Animals want me to decorate them.
The cheetah, the chital deer,
have me all over their skin.
I'm there on ladybirds and butterflies too!

In the playground,
I'm there as a ball,
a hoopla ring and
many other joyful games!
Why, your trucks,
aeroplanes, cars, cycles,
would not be able to move...
if it weren't for me.

And yet there is one place where I am not welcome.
On your report card! Sorry friends!
I also feel sad when that happens.
You will have to work hard to change that!

Goloo the Circle
(English)

Goloo opens your eyes to the circular world around you! Children can play a game too - how many circles can you see? You need no pens, paper or dice - all you have to do is take turns and keep score.

This is a Level 1 book for children who are eager to begin reading.
